

Personal Statement:

Bilingual multimedia journalist and DCU graduate with a specialism in social affairs and investigative reporting, with bylines across social affairs, human rights, and conflict journalism. Experienced across written, audio, and visual formats — with a background in animation that informs a distinctive approach to visual storytelling.

Education:

2023 – 2026: BA Journalism, Dublin City University | Predicted Grade: First Class Honours/GPA: 4.0

2021 – 2023: Classical and Computer Animation, Ballyfermot College of Further Education | Grade: Second Class Honours

Work Experience:

Accommodation and Work Experience Coordinator | Work Experience Agency Ltd. | Oct 2025 - Mar 2026

- Researched, assessed and documented health, safety, and safeguarding assessments across 50+ placement sites, ensuring full compliance with institutional standards
- Managed end-to-end CRB/Garda Vetting processes for all participants, maintaining accurate and audit-ready documentation
- Maintained a structured database of 80+ employers, industry contacts, and accommodation providers, streamlining future placement sourcing.
- Produced written guidance materials and employer-facing communications, supporting clear and professional stakeholder engagement

Deli Assistant | Dunnes Stores, Blanchardstown | Jun 2023 - Nov 2024

- Delivered consistent customer service in a fast-paced retail food environment, managing high volumes during peak trading periods
- Took and fulfilled kitchen orders efficiently across busy shift schedules, maintaining service quality under pressure
- Maintained rigorous hygiene and food safety standards throughout each shift, including restocking, surface cleaning, and full end-of-day deep cleans across equipment, including ovens and displays
- Certified in knife handling and meat slicer operation

English Mentor | Angloville International | Jun 2025 - Jul 2025

- Delivered immersive English language workshops and conversational sessions to diverse groups of young learners across an intensive residential programme
- Developed and led interactive activities — including news-based discussion sessions and storytelling exercises — designed to build participant confidence and cross-cultural communication skills
- Created written session materials and activity guides tailored to varying language ability levels, adapting content and delivery style for different audiences.
- Collaborated with programme coordinators to maintain a structured, safe, and engaging learning environment throughout
